**Finances** Chris Hutchins stated that we have £14,906, we have £590.00 more than last month as the parish council have paid for the grasscutting grant. He went to a meeting on the 12th Dec 08 with the parish council, to enquire about getting the health and safety requirements for the playpark done, and was advised that if we could get the necessary quotes from Dunlop, who produced the report, and fill in a necessary grant form they would look at it sympathetically.

Chris and Lynne have filled the forms in for the grassroots grant application for £5,000.00 to help towards improving the heating and Paul Oldring is going to check it through and send it off.

Access to rear of the properties for cars, facing the front of the hall, was discussed without Steve Fionda in attendance and Paul Oldring is going to send off our official reply to the parish council.

**Football** Bill Fry said all is okay with the exception of the ground being unplayable due to heavy frost. He and Steve Fionda are going to ensure that the building is warm enough to prevent the water pipes from freezing.

Steve Fionda reported that he had £20.00 from the electricity meters and was using it as his float.

Odette Henderson said she has two fundraising events organized in the next four weeks, which are a race night on 23rd Jan and a quiz night on 7th Feb.

Next meeting to be held on Tues 5th Feb.
